Wayne:

I got out to the Ursa Major site (UTU-80024) and while they cleaned up the mine site pretty well, they still have some reclamation to do along the Hwy 24 easement (see attached). They also need to obliterate the access road they cut into their mine site. I will send a letter to Mr. Hurst regarding this and cc you a copy.

Thanks!

Paul

can we extend the due date based on the BLM bond release inspection?

I think that's fine.
